Remarks

This beautifully maintained, expansive Contemporary home has it all with 11 rooms, 4 bedrooms, 3 1/2 baths and a 2 car attached garage. Many upgrades including a gorgeous new kitchen with stainless steel appliance, elegant tile work and a large center island. The kitchen opens to the large family room with vaulted ceilings and abundant natural sunlight. The large master suite includes a luxurious master bath, three closets and direct access through French doors to the scenic back yard. This home offers separate living and dining areas, a spectacular library with a fireplace, home gym and a large cedar closet. The setting is pristine, a large in-ground pool is set among a professionally landscaped yard that offers great privacy. This home boasts hardwood floors throughout and many new systems.
